

Start! is especially suitable for those who are enquiring about faith or what it means to be a follower of Jesus, a “disciple”. This might be for the first time, or it might be an opportunity to revisit faith or a past link to the church which has lain dormant now for many years. For others it might be an ideal course to follow in preparation for confirmation. But the main reason for offering Start! this year at this time is to provide an accessible friendly course for those who have been stimulated to enquire a little more deeply in the Christian faith through “Talking Jesus”

There will be at least four opportunities for folk to met locally and follow this course, whatever the reason that draws them:-

- 1) around **9.45 am on Mondays in Wingate Church**, following on from our Mocha Monday breakfasts which will be happening weekly from 8.45am.
First Session Monday 13th March
- 2) **10.30am on Tuesdays at Gully House, Wingate.**
First Session Tuesday 14th March
- 3) **1.30pm on Wednesdays in Wheatley House, Wheatley Hill,** community room (halfway along the Aged Miners Homes)
First Session Wednesday 8th March
- 4) **7.30 on Thursday evenings in Wingate Church** (this might re-locate into a local home depending on numbers and any offers!).
First Session Thursday 9th March.

Please come and give it a try - the more the merrier, and the more enriching each course will be.
