

Waymark

As we approach the conclusion of our current five year plan, our Diocese is entering a time of reflection and prayer to discern the way ahead for the life of our churches across this region. We call this programme **Waymark**.

Through the **Waymark Lent course, Waymark Sunday** and our **Diocesan Conference** we are taking time to listen to one another, to the scriptures and to God.

Our aim is to:

- **Reflect** on the 3 priorities for the Diocese (Growth, Children & Young People, and Poverty).
- **Be equipped** to understand and engage with the challenges of mission in our Diocese.
- **Actively seek** God's preferred and promised future for Durham Diocese and **move forward** together in responding to God's will.

We are inviting every church to join in by praying and reflecting. Each church has been asked to gather its reflections which will be shared at the Waymark Conference by parish representatives. In the weeks after the conference clergy will share ideas from across the Diocese to your parish. We would love you to join in by praying and by starting a local conversation as we ask God **"What next?"** for the Diocese of Durham. Tell us how
