Walk, pedal, bus, drive or lift share your way to Durham Cathedral for our special celebration of our communities!

The cathedral is very excited to welcome us for as much or as little as people wish! Whether we want to wander, to enjoy the amazing art installations currently in place, to find a quiet spot for a moment's peace, or to join in the activities planned - there is lots on offer! In partnership with the Cathedral Education Team, craft, pray and chat in the Cloister's Community activity hub, venture on riverside trails, and share a picnic and collect your Pilgrimage Token. The day ends with the opportunity to celebrate our deanery life with Bishop Paul during Evensong at 5.30pm.

All ages are welcome – so come with friends, family or on your own!! All are invited!
